Value of 'satsang'

Satsangs include *kirtans*, *bhajans*, and recitations from holy scriptures, Sadhu Vaswani's recorded *upadeshes* and Dada's *upadeshes*, which inspire and thrill hundreds of brothers and sisters. Days sacred to the great ones of East and West are also celebrated with prayers and service. The *satsang* forms the basis of the Sadhu Vaswani Mission. "The noblest work", according to Sadhu Vaswani, "is to cultivate the soul!". As one devotee puts it, "satsang is... [an] appointment with God." Satsang helps a spiritual seeker through practice of silence and meditation reach her destination.

Satsang is held every Sunday from 5:00pm to 6:15pm at the Sadhu Vaswani Center. Come one, come all to the Global Mall! For Aarti timings during the week, please contact Geeta Mehrotra at 770-381-8698. If you would like to volunteer at the Center, please contact sadhuvaswanicentre@gmail.com.

Darshan: a 3-D experience!

“FREE ENTRY TO ALL VISITORS – Darshan is not really a 'museum' in the conventional sense of the term. Although it does what every museum does, keeps alive a memory, but at Darshan, it's done through 3D Holographics, Life-Like Statues, Realistic Sets, Hi-Def Audio, HD Video, Theatrical Lighting and much more! Darshan is the next step in story-telling. For the first time in India has 3D Holographics been used in a show! A truly magical experience!

Darshan tells the beautiful story of a Saint of Modern India, Sadhu T L Vaswani. He was a visionary, an educationist, a spiritual giant, a poet and much, much more! His life bore witness to the universal ideals of Unity, Brotherhood of all life, Compassion, Love for all, Peace. He inspired many to work for the cause of the independence of India alongside with Gandhi, he worked for women upliftment years before modern society did it, by starting a Women's Education Movement called the Mira Movement in Education. The Mira Movement in Education has now spread to many cities and thousands of young girls benefit from it. He was an animal rights activist, his birthday, 25th November, is celebrated as Animal Rights Day and crores of people pledge to abstain from food of violence on this day every year!

Ever a believer in the Unity of All Life, He promoted no one religion but taught that all religions lead to but One Goal. The Paths are Many but the Goal is One! His spiritual poetry has been compiled into the largest compilation of Spiritual Poetry by a single author in the world! It is called the Nuri Granth and is revered by his followers as a storehouse of spiritual wisdom and knowledge. Come and experience His simplicity, His wisdom, His purity, His unique life at Darshan!”

Soul Lifters

- Dada J. P. Vaswani

God always acts at the right time: and if He does not act, it only means that the right time is not yet!

You are unique. God made you for a specific purpose which only you can fulfill. Find the purpose -- and fulfill it!

Our character is what we do when we know that no one is watching us.

Give, give, give! Give today, give now, for tomorrow may be too late!

Remember, you are the right person in the right place, learning the right lesson at the right time.
